## FLAGS FOR HEROES

Dear Neighbor,

We are offering you a unique opportunity to honor a hero in your life. The definition of "hero" is "a person who is admired or idealized for courage, outstanding achievements, or noble qualities." We all know a hero. Someone who has impacted our lives. Perhaps there was a teacher, physician, mentor, family member or friend who has inspired you. Or, perhaps you wish to honor someone who has served or is serving in the Armed Services.

The Worcester County Veterans Memorial has joined with the Rotary Club of Ocean City/Berlin to create a display of flags that will fly from Armed Forces Day, May 16, through Flag Day, June 14. The flags will proudly fly in Veterans Memorial Park, along Route 589, in Ocean Pines. You can be a part of this amazing tribute to our heroes!

You can honor a hero by sponsoring one or more of the flags that will fly. The sponsor's name and your hero's name will be identified on each flag. You will be able to walk among the flags and read the names of many heroes. The cost to sponsor a flag is just \$50. Proceeds from this project will benefit Student's Educational Outreach projects, community charities and Rotary Scholarship Fund.

Any project like this needs funding. We are hoping that our community business partners would want to join with us and make this successful. Business partners will have multiple levels of sponsorship available to them. All major business partners will also be identified on a large sign near the display. Recognition will also be given in all print media and advertising. We hope that you will want to be part of this very moving tribute to your heroes.

**Complete the enclosed form and return.** We will take care of the rest. You will be advised of the dedication of the Flags for Heroes display. We promise a moving and inspiring dedication ceremony. The cutoff date to sponsor a flag is May 11. All orders should be received by then.

Checks should be made payable to: WCVMF/Flags for Heroes and mailed to: WCVMF, P.O. Box 1576, Ocean Pines, MD 21811. Your donation is tax deductible. The Worcester County Veterans Memorial Foundation is a 501c3 organization.

We look forward to being a part of honoring your hero!

Sincerely,

Marie Gilmore, President, WCVMF
